

CTS™

European Styling - Built to Last!

CTS is built tough to last long. Steel-Gard® construction and a heavy duty chassis are the perfect combination to deliver unmatched durability with the European lines of a twenty first century bus.

CTS minimizes your costs while maximizing your opportunities in both capacity (up to 37 passengers) and service life. Backed by a network of full-service dealers, Champion offers the best transportation package to meet your demands.

For Tour, Shuttle, Church, Paratransit or Transit, CTS can handle your needs with class and value.

Shown with optional wheelchair lift package.
